VOLODYMYR KOLISNICHENKO
FULL-STACK DEVELOPER

I am a Full-stack Developer with 3+ years of experience (main stack: JavaScript, React, Node.js). With a technical education in **engineering**, I bring strong analytical skills essential for tackling complex IT challenges. With an **Upper-Intermediate** level of English, I've completed 8 projects with positive feedback from mentors, and I am now leveraging my experience as a Full-stack Developer. Passionate about AI, I seek a growth-oriented, collaborative team. Key achievements include implementing email services, creating 30+ React components, writing 20+ tests, and integrating REST APIs for seamless data-driven experiences.
